

# Seeking vegetable farmers in southern NH interested in learning more about no-till practices.

We have two new no-till transplanters available for your use in 2019.

2 row transplaters from manufacturers **RJ** and **Checci Magli**

## Interested in trying them out free of charge?

We will provide training on operation, technical assistance on crop selection, and education on transiting management to reduced till.

Contact us by December 1st and let us know if you are interested or if you have any questions.
